
Look Out! 'Tis the season to deck the halls. There may be Some

Assembly Required, and Fair Enough we Know, Do, Understand it'll

take a dose of holiday cheer to Power Up the lights. But as we head

into the festive season, don't hold back! Start 'Em Up! One thing we

know for sure: The West (and the East) Want In to a joyous holiday.

And for all of Canada, we wish for A Smoother Track for Exports, a

booming economy and a prosperous 2017 (it's A Matter of Trust).

Happy Holidays from the Canada West Foundation! ❄️ cwf.ca ❄️
