## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Canada West Foundation

### ***Opinion***

We have audited the financial statements of Canada West Foundation (the Entity), which comprise:

- the statement of financial position as at December 31, 2020;
- the statement of operations for the year then ended;
- the statement of changes in net assets for the year then ended;
- the statement of cash flows for the year then ended;
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements, present fairly, in all material respects, the financial position of the Entity as at December 31, 2020, and its results of operations, and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# CANADA WEST FOUNDATION

## Notes to Financial Statements

Year ended December 31, 2020, with comparative information for 2019

---

The Canada West Foundation (the "Foundation") was formed to engage in research and education in the area of economic public policy of interest to Western Canada.

The Foundation is a charitable organization under Section 149(1) of the Income Tax Act and accordingly is not taxable on the revenues it receives and earns from operations.

### 1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit standards in Part III of the Chartered Professional Accountants ("CPA") Handbook.

#### (a) Cash and cash equivalents:

The Foundation considers all highly liquid investments that are readily convertible to cash or with an original maturity of three months or less to be cash and cash equivalents. These consist of cash and short-term deposits.

#### (b) Furniture and equipment:

Computer equipment, phone system and furniture are recorded at cost and depreciation is provided on a declining balance basis at an annual rate of 30%. Leasehold Improvements are recorded at cost and depreciation is provided on a straight-line basis over the term of the lease.

#### (c) Revenue recognition:

The Foundation follows the deferral method of accounting for contributions. Deferred contributions are revenues received in the current year that are used for projects in the upcoming years.

Unrestricted donations are recognized when payments are made or committed. Restricted donations related to special project revenue is recognized as revenue in the year in which the related expenses are recognized. Donations received in kind are recorded at fair market value, determined at the date the donation is made. Endowment contributions are recognized as a direct increase in net assets. Endowment withdrawals are recognized as a direct decrease in net assets.

Government assistance toward current expenses or revenues are included in the determination of net income for the period. Government assistance is presented as part of income.

# CANADA WEST FOUNDATION

Notes to Financial Statements, page 2

Year ended December 31, 2020, with comparative information for 2019

---

## 1. Significant accounting policies (continued):

### (d) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has not elected to carry any such financial instruments at fair value except for investments.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

### (e) Allocation of expenses:

The Foundation allocates certain of its expenses by programs and special projects, business related travel and events, and operation and general administrations by identifying the appropriate basis of allocating each expense. Salaries and benefits are allocated based on the time each employee spends on a function.

### (f) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Such estimates include providing for the useful life of furniture and equipment and fair value of investments. Actual results could differ from those estimates.

Notes to Financial Statements, page 3

Year ended December 31, 2020, with comparative information for 2019

## 2. Accounts receivable:

	2020	2019
Trade receivables	\$ 108,000	\$ 287,500
Accrued income	12,626	1,350
GST receivable	8,633	13,025
Government grant receivable	414,881	–
Government assistance recoverable (note 14)	74,931	–
	<u>\$ 619,071</u>	<u>\$ 301,875</u>

## 3. Investments:

The Foundation's investments are professionally managed. The primary objective of the investments is to provide for long-term capital preservation while providing for the annual spending requirements of the Foundation.

December 31, 2020	Cost	Market value
Common stocks	\$ 4,231,971	\$ 5,665,411
Government and corporate bonds	2,641,348	2,827,708
Cash	258,981	259,009
	<u>\$ 7,132,300</u>	<u>\$ 8,752,128</u>

December 31, 2019	Cost	Market value
Common stocks	\$ 3,548,183	\$ 5,208,486
Government and corporate bonds	2,975,751	2,991,368
Cash	569,007	569,007
	<u>\$ 7,092,941</u>	<u>\$ 8,768,861</u>

# CANADA WEST FOUNDATION

Notes to Financial Statements, page 4

Year ended December 31, 2020, with comparative information for 2019

## 4. Furniture and equipment:

	Cost	Accumulated depreciation	2020 Net book value	2019 Net book value
Computer equipment	\$ 50,774	\$ (37,284)	\$ 13,490	\$ 22,507
Phone system	4,115	(4,021)	94	534
Furniture	1,463	(1,093)	370	1,076
Leasehold improvements	23,126	(14,376)	8,750	6,053
	\$ 79,478	\$ (56,774)	\$ 22,704	\$ 30,170

## 5. Operating loan:

The Foundation has access to a \$200,000 revolving operating facility, which is due on demand and bears interest at the bank's prime rate plus 2.35% (2019 – bank's prime rate plus 2.35%). The facility is secured by a general security agreement, and as at December 31, 2020, \$nil was drawn (2019 – \$nil).

## 6. Deferred contributions:

	2020	2019
Balance, beginning of year	\$ 268,656	\$ 160,656
Contributions received during the year	340,500	285,000
Recognized as revenue during the year	338,081	(177,000)
	\$ 271,075	\$ 268,656

## 7. Accounts payable and accrued liabilities:

Included in accounts payable and accrued liabilities are government remittances payable of \$nil (2019 – \$nil) which includes amounts payable for payroll related taxes.

# CANADA WEST FOUNDATION

Notes to Financial Statements, page 5

Year ended December 31, 2020, with comparative information for 2019

---

## 8. Net asset balances:

The distribution of the original endowment capital is not permitted. The Foundation did not receive any endowment contributions in 2020 (2019 – \$nil).

During the year, \$109,351 (2019 – \$156,841) was transferred from unrestricted net assets to the restricted for endowment purposes fund, as a result of board approval of an internal policy which stipulates that the reserve level of the endowment fund is to be adjusted for inflation.

On an annual basis, provided that the market value of the endowment is not less than the reserve level, the Foundation may transfer from the endowment the lesser of: (i) up to 5% of the market value of the endowment as of January 1 of the same calendar year, or; (ii) the difference between the market value and the reserve level of the fund as of January 1 of the same calendar year. Withdrawals over and above points (i) and (ii) require the approval by motion of the Board of Directors.

In 2020, 5% of the total market value of the endowment as of January 1 was \$483,443 (2019 – \$407,634). The difference between the market value and reserve level of the fund as of January 1 was \$357,221 (2019 – \$102,125), leaving \$357,221 available for the 2020 withdrawal to operations. A resolution of the Board of Directors on June 5, 2020 authorized a withdrawal of \$440,000 of which \$82,779 was a special withdrawal above policy limits.

In 2017, the Board approved a special withdrawal of up to \$450,000 of which a total of \$250,000 was withdrawn.

A further resolution of the Board of Directors on June 5, 2020 authorized the forgiveness of \$59,472 of Special Withdrawal Repayment obligations (see below).

### Special Withdrawal Repayment Balance

---

2017: Special withdrawal transferred to operations	\$	250,000
2018: Special withdrawal repayment		(40,922)
2018: Previous years' investment management fees paid by operations instead of endowment, were applied to the repayment		(134,000)
2019: Special withdrawal repayment		(15,606)
2020: Resolution to forgive interfund obligations		(59,472)
<hr/>		
December 31, 2020: Special withdrawal repayment balance withstanding	\$	Nil

---

# CANADA WEST FOUNDATION

Notes to Financial Statements, page 6

Year ended December 31, 2020, with comparative information for 2019

---

## 9. Related party transactions:

During the year, a donation of \$25,000 (2019 – \$25,000) was received from a company managed by a director. The full amount is included in accounts receivable at December 31, 2020 (2019 – \$25,000).

All related party transactions are within the normal course of business and have been measured at the exchange amounts, which are the amounts of consideration established and agreed to by the related parties.

## 10. Financial instruments:

### (a) Credit risk:

The Foundation's maximum exposure to credit risk is on cash and cash equivalents, accounts receivable and the investment in the endowment fund.

Credit risk relates to the possibility that a loss may occur from the failure of another party to perform according to the terms of a contract. Cash and cash equivalents consist of cash and bank balances with a Canadian bank. Credit risk for accounts receivable and the fund investments is the risk that the obligation will fail to be discharged causing the Foundation to incur a financial loss. Credit risk is minimized by ensuring that cash is deposited with reputable commercial banks, that credit is only extended to those entities that management believes has the financial capacity to pay obligations due to the Foundation, and the fund investments are diversified across different classes of assets and are such investments are managed by professional managers.

Management and the Board of Directors of the Foundation periodically review its investments to ensure that the credit risk assumed is appropriate.

### (b) Liquidity risk:

Liquidity risk is the risk that the Foundation will encounter difficulty in raising donations or liquidate investments to meet commitments or protect its assets. Management controls liquidity risk through cash flow projections used to forecast funding requirements for its financial instruments.

### (c) Market risk:

Current and future investments in the endowment fund are subject to market risk due to changes in the value of investments in the fund. Fluctuations in general market interest rates have an impact on investments returns in the term deposits and fixed income investments in the endowment fund.

# CANADA WEST FOUNDATION

Notes to Financial Statements, page 7

Year ended December 31, 2020, with comparative information for 2019

## 9. Related party transactions (continued):

### (d) Interest rate risk:

The Foundation is exposed to interest rate risk relating to the income earned on its interest bearing investments as most of these investments have a fixed interest rate for a specified period of time. A 1% reduction in interest rates would reduce the interest income earned by approximately \$28,000.

### (e) Foreign currency:

The Foundation is exposed to foreign currency fluctuations on investments denominated in US dollars.

There has been no change to risk exposure from 2019 other than the potential impacts of COVID-19 as disclosed in note 14.

## 11. Commitments:

The Foundation has entered into certain operating lease commitments for office space and equipment with future payments as follows:

2021	\$	105,438
2022		107,512
2023		108,227
2024		111,131
2025		64,827

## 12. Allocation of costs by function:

Expenses allocated to general and administrative and research programs and special projects are set out below.

	General and administrative	Research programs and special projects	2020
Salaries and benefits	\$ 398,692	\$ 1,334,752	\$ 1,733,444
Rent	22,392	74,963	97,355
Travel and event	6,657	15,533	22,190
Office and general	70,947	41,668	112,615
Research expenses	8,192	128,346	136,538
	\$ 506,880	\$ 1,595,262	\$ 2,102,142

# CANADA WEST FOUNDATION

Notes to Financial Statements, page 8

Year ended December 31, 2020, with comparative information for 2019

## 12. Allocation of costs by function (continued):

	General and administrative	Research programs and special projects	2019
Salaries and benefits	\$ 397,234	\$ 1,329,872	\$ 1,727,106
Rent	29,168	97,649	126,817
Travel and event	28,938	67,520	96,458
Office and general	88,737	52,116	140,853
Research expenses	6,353	99,526	105,879
	\$ 550,430	\$ 1,646,683	\$ 2,197,113

## 13. Special projects and donations:

	2020	2019
Tax receipted revenues	\$ 384,236	\$ 354,559
Government and non-tax receipted revenues	1,115,213	1,365,897
	\$ 1,499,449	\$ 1,720,456

Expenses other than salaries and benefits, incurred for the purposes of soliciting contributions were \$nil (2019 – \$nil). Remuneration paid to employees, whose principal duties involved fund-raising, was \$135,984 (2019 – \$178,150).

## 14. COVID-19 impact on the Foundation:

On March 11, 2020, COVID-19 was declared a global pandemic. The situation is dynamic with various cities and countries around the world responding in different ways to address the outbreak. At this time, governments and businesses around the world are introducing significant new measures to contain and control the spread of the virus.

Initially, there was a significant drop in commodity prices and equity markets have reacted with the biggest decline experienced in more than a decade, however during the year many have mostly recovered.

# CANADA WEST FOUNDATION

Notes to Financial Statements, page 9

Year ended December 31, 2020, with comparative information for 2019

---

## 14. COVID-19 impact on the Foundation (continued):

As at the reporting date, the Foundation has determined that COVID-19 has had no impact on its contracts, the assessment of provisions and contingent liabilities, or the timing of revenue recognition. The Foundation has not assessed any impairment that needs to be recognized on its furniture and equipment at December 31, 2020, as it continues to use and fund these assets. The Foundation continues to manage liquidity risk by forecasting and assessing cash flow requirements on an ongoing basis. As at December 31, 2020, the Foundation continues to meet its contractual obligations within normal payment terms and the Foundation's exposure to credit risk remains largely unchanged.

### *Canada Emergency Wage Subsidy*

The Government of Canada created a program called the Canada Emergency Wage Subsidy ("CEWS") to provide wage assistance to organizations who experienced a drop in revenues resulting from the COVID-19 outbreak. In addition, the Government of Canada created a program called Canada Emergency Rent Subsidy ("CERS") to provide subsidy to cover part of eligible organizations commercial rent or property expenses. During the year, the Foundation met the eligibility requirements and has recognized subsidies of \$410,302 (2019 - \$nil) under the CEWS and CERS, with \$74,931 recorded in accounts receivable as at December 31, 2020. While eligibility and subsidy amounts may be subject to audit by the Canada Revenue Agency, the Foundation is confident in respect to its entitlement to the subsidy payments received throughout the year. The entire amount has been recognized as government assistance on the statement of operations for the year ended December 31, 2020.

## 15. Comparative figures:

The prior year comparative figures have been reclassified to conform to the current year's presentation.
